SUNNY SIDE UP

Depth of colour and a touch of glamour infuse a light-filled bathroom with a sense of intimacy.

DESIGNERS BELINDA CHIPPINDALE AND ANNA DOUGLASS
"Exposed to the dramatic coastline with floor-to-ceiling glass, this ensuite called for a sense of intimacy and enclosure. In keeping with the surroundings, the palette is simple and natural, and the mosaic wall adds a touch of glamour. The room is flooded with light so we were able to clad the walls and floors in the same rich natural stone. The pendant lights also add a textural layer and an organic form. *What luxury item did you choose for this bathroom regardless of budget?* "The wall mosaic tiles by Di Lorenzo inject glamour and luxury into the otherwise natural and neutral palate."
