ROOM NOTES (26) Ming Dynasty grasscloth wallpaper, Ascraft. Joinery in Dulux Stony Creek. Faux fireplace interior in Murobond Echo.

26 Collector's delight *Meryl Hare, Hare + Klein* Inspired by the owners'

extensive collection of artwork and furniture, Meryl Hare designed this inviting master bedroom, cleverly incorporating classic French interiors and contemporary comfort. The centrepiece is the striking four-poster bed with its layers of velvet textures in a rich colour palette of charcoal and amber. Bronze-toned wallpaper acts as a backdrop for the refined furniture, providing an additional layer of warmth and depth.
